Cefn Hengoed Ladies' Choir

About Us

Cefn Hengoed Ladies' Choir is a long standing community choir. In 2009 we appointed our Musical Director, Jayne Bell who, along with our Accompanists has led us through a very busy period.

We are a 3 part choir from varied backgrounds: those who read music, and those who don't, in education, employed and retired. We are inter-generational, with several mother/daughter pairs and a very wide age range— currently 16-87 years old!

The Choir has performed throughout Wales and the UK and toured Spain in May 2009.

We rehearse every Thursday in term time at Derwendeg Primary School, Cefn Hengoed 7:00-9:00pm, and perform regularly in chapels, churches, schools and community halls and we are always delighted to welcome new members. Our uniform is black with a purple accessory.

Our music is of many styles, languages and genres, and is constantly being updated.

History & Future Events

A founder member of the Welsh Association of Ladies Choirs, Cefn Hengoed Ladies' Choir will be celebrating it's 65th anniversary in 2012, making it one of the longest surviving choirs in South Wales. The Choir is proud of its past, but is looking forward to an even brighter future. To commemorate it's anniversary, as well as our usual engagements, the choir will be holding a Gala Concert at Lewis Girls' School on Saturday 29th September 2012. The choir will be performing Vivaldi's Gloria, with orchestra and soloists, along with our favourite songs.
